

YEARLY STATUS REPORT - 2021-2022

Part A

Data of the Institution

Part A	
Data of the Institution	
1.Name of the Institution	KESHAV MEMORIAL INSTITUTE OF TECHNOLOGY
• Name of the Head of the institution	Dr. MAHESHWAR DUTTA
• Designation	PRINCIPAL
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	040 - 23261407
• Mobile No:	9849103666
• Registered e-mail	abhishek.ganu@kmit.in
• Alternate e-mail	principal@kmit.in
• Address	3 - 5 - 1026, NARAYANAGUDA
• City/Town	Hyderabad
• State/UT	Telangana
• Pin Code	500029
2.Institutional status	
• Affiliated / Constitution Colleges	Affiliated
• Type of Institution	Co-education
• Location	Urban

• Financial Status	Self-financing				
• Name of the Affiliating University	JNTUH HYDERABAD				
• Name of the IQAC Coordinator	Dr. J V S SRINIVAS				
• Phone No.	04023261407				
• Alternate phone No.	9849966899				
• Mobile	9849966899				
• IQAC e-mail address	srinivas@kmit.in				
• Alternate e-mail address	srinivasjvs@gmail.com				
3.Website address (Web link of the AQAR (Previous Academic Year))	www.kmit.in				
4.Whether Academic Calendar prepared during the year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	www.kmit.in				
5.Accreditation Details					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	A	3.06	2020	08/01/2020	07/01/2025
6.Date of Establishment of IQAC			03/06/2013		
7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,					

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
Institutional	consultancy	RCI	2021/2	965300
Department	Government (Sponsored Project)	DRDO (CARS)	2021/1	985000
Department	consultancy	BIRAC	2020/On going	1500000
Department	consultancy	kmit	2021/ongoing	150000
Department	consultancy	ScoreLabs, USA	2021	\$1500
Department	consultancy	DigiClinics	2021/ongoing	815872
Institutional	consultancy	Department of Biomedical Informatics, Emory University, USA	2021	\$3000

8. Whether composition of IQAC as per latest NAAC guidelines	Yes	
• Upload latest notification of formation of IQAC	View File	
9. No. of IQAC meetings held during the year	2	
• Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website?	Yes	
• If No, please upload the minutes of the meeting(s) and Action Taken Report	View File	
10. Whether IQAC received funding from any of the funding agency to support its activities	No	

during the year?	
• If yes, mention the amount	
11. Significant contributions made by IQAC during the current year (maximum five bullets)	
Suggestions/Recommendations given by IQAC: 1. Curriculum Design and Development for the AY 2021-22 i) Syllabus framing for II-year students of 2020 admitted (KR20) ii) Course structure of III and IV year of 2020 admitted batch (KR20) iii) Syllabus framing for I- year and II-year students of 2021 admitted (KR21) iv) Course structure of III and IV year of 2021 admitted batch (KR21) v) Involving students in live projects and internships in highly reputed companies. 2. Modifications to the existing value-added courses as per the requirements of the industry. Introduce the following i) Artificial Intelligence/Machine learning ii) MERN Stack iii) Full stack - web development iv) Python 3. Administration: i) Allow the parents/students to pay various fee in the online through all possible modes - net banking, Credit/debit cards, UPI payment. ii) Introduce transparent evaluation system in the Autonomous section.	
12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year	
Plan of Action	Achievements/Outcomes
Teaching learning process.	Implemented and monitored the faculty to use latest teaching methodologies in the class room. Improved Class room teaching and practical training by use of Modern audio-visual teaching aids. Model Test Papers are provided to students for enhancing their academic performance.
Curriculum revision/restructuring.	Faculty expertise in specific domains of the college has contributed in restructuring / revision/syllabus development as member of Board of Studies
Faculty Development programmes.	Training Sessions were conducted to the faculty every week on new subjects. Assigned Mentors in various technologies like 1. Machine learning 2. Deep

	learning 3.NLP 4.Hadoop Big Data 5 Web technologies 6.Cloud computing 7. Software Engineering At the end of the FDP evaluation was done based on the assignments and demos and the faculty were rewarded.
Placement training for improving employability skills of students.	Resolved to give training to students in communication skills, group discussion, aptitude and logical reasoning through finishing school programmes. 500+ students got placed through campus interviews conducted by various reputed companies at the campus.
online learning platforms.	Students and faculty members are registered in online learning platforms like SWAYAM and NPTEL.
Effective implementation of mentor ing.	Class teachers are informed to take necessary actions on students with less attendance and less Internal marks. Parents of each Mentee met the Mentor (class teacher) to discuss the improvement of the Mentee.
Student centric activities.	Awareness programs were organized through various extension activities and IIC. Few students were selected and participated in Smart India Hackathon (SIH) finals. and 1 team won in the finale
Student satisfaction survey report will be utilized for policy making and implement new plans to help students.	A proposal has been sent for infrastructure up gradation of college. Question Bank has been prepared by some of the departments for new exam pattern
Social extension activities.	Organized blood donation camps, Swachh Bharath and other social awareness programmes with student club co-ordinators.

Publications	Faculty published papers in reputed journals and conferences. Incentives to faculty for research publications are granted.
To extend support to the students for participating in curricular and extracurricular activities.	Funds were granted to conduct various Extracurricular activities like KMIT evening, Dandiya night, patang utsav. Students participated in various co-curricular activities in the campus and at other institutes.
Upliftment of slow learners.	Remedial Classes were conducted to slow learners
Orientation Programme for Newly Admitted Students.	Organized
Sports	The college authority decided to coach the students with special effort who want to pursue their career in Games and Sports section from
13.Whether the AQAR was placed before statutory body?	No
Name of the statutory body	
Name	Date of meeting(s)
Nil	Nil
14.Whether institutional data submitted to AISHE	
Year	Date of Submission
2021 -22	03/02/2023
15.Multidisciplinary / interdisciplinary	
Currently we have provision of interdisciplinary curriculum delivery for B.Tech. I,II & III year we have compulsory IDS subjects. The students admitted to these year of degree of any faculty have to take environmental studies, Constitution of India, Gender	

Sensitization and Cyber Security as compulsory interdisciplinary subjects therefore the mindset of the students is positive to adopt the IDS and multidisciplinary curriculum. Moreover the faculty is already introduced to the IDS system and the required infrastructure and facilities are available in college. Further college has plan of starting new programs in future.
16.Academic bank of credits (ABC):
Currently the university maintains the academic credits of the students but whenever necessary college will develop or register for virtual store house of credits to avail the academic bank of credit to maintain the information of credits earned by individual students throughout their learning journey.
17.Skill development:
We are currently running from the First year the Finishing School as add on and bridge courses are skill oriented therefore our students are acquainted and benefitted. College has considerable number of facilities to run the skill oriented courses.
18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)
Integration of Indian knowledge system is a key point to focus and emphasize in terms of teaching in Indian Language culture using online course. The faculty will be trained by motivating to participate in orientation courses and faculty development program especially on Indian knowledge system
19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):
Outcome based education is a well planned delivery by considering the result and providing actually what students want and providing needed skill and knowledge. Most of our faculty is engaged in university curriculum design committees BOS and Sub committees of the same. So faculty is prepared and aware about setting and designing the curriculum and delivery of Outcome based education.
20.Distance education/online education:
The college has our own LMS in our college by name "Tesslater", currently our faculty is using this platforms link with Google Classroom and google meet to deliver online education and to conduct exams online. we have sufficient infrastructure for online education.
Extended Profile

1.Programme

4.1 Total number of Classrooms and Seminar halls	58
4.2 Total expenditure excluding salary during the year (INR in lakhs)	110834152
4.3 Total number of computers on campus for academic purposes	831
Part B	
CURRICULAR ASPECTS	
1.1 - Curricular Planning and Implementation	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process	
KESHAV MEMORIAL INSTITUTE OF TECHNOLOGY, KMIT, is an institute of strong repute in the state of Telangana. The institute is affiliated to JNTUH.is a self financing institute, follows the curriculum designed by the University. The institute has departments of CSE, ECE, IT, EIE based on the core specialization and CSE(Data Science),CSE(AIML) new courses introduced in the A.Y 2019-20.Effective curriculum delivery is ensured through a process: • Advance planning of academic activities. • Formulation of objective driven teaching plan. • Preparation of adequate learning materials. • Maintenance of course files.Result Analysis to identify Weak and advanced learners. • Mentor system. • Periodic review of teaching-learning process • Projectbased learning. • Passive Learning.Active Virtual Learning through TeleUniv: www.teleuniv.com.TeleUniv is a replacement for the traditional "Chalk and Talk" method of teaching at its best.. The TeleUniv has been offering various courses also. • Smart Classrooms through SANJAY app. • Methodologies to support weak /slow learners. • Quality of classroom teaching • Continuous real time assessment in Laboratory through LMS (college has its own LMS named Tessalator) • Student feedback of teaching learning process and action taken and	

documented. •Systematic examination process with regular updates to parents through SANJAYA App.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

a.Adherence to Academic calendar:

In KMIT we follow JNTUH Academic calendar as it is affiliated to JNTUH. Lesson plan with course objectives and course outcomes are prepared by the course coordinator before the commencement of the semester and is dually approved by the module coordinator and the Head of the department and made available to the students.

Feedback on every subject is taken every fortnight by the module coordinators. The areas enmarked by the students are shared with the concerned faculty to make their teaching effective.

2.2 - Catering to Student Diversity		
2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners		
Methodologies to support weak students and encourage advanced learners		

1. Guidelines to identify weak students

The Mentors regularly conduct meetings regarding progress of their mentees and are responsible to identify students who scored less than 60% marks in their internals. Under the directions of program coordinator, the students' Mentor monitors the progress of those students who score below 60% marks in three or more subjects.

1. Student Mentors follow their progress regularly advising students about attending classes, making up classes missed, and getting additional help.
2. Remedial classes are conducted.
3. Diploma students who entered with less basics of mathematics and programming essentials Bridge courses are conducted.
4. Students having poor performance in Tesselator courses Exercises are uploaded on Telescope for additional practice. (so that they can solve the problems at home)
5. Notes, FAQ's, MCQ's, Model Question papers are provided.

2. Guidelines to identify Advanced students

Actions taken Those students who excel in day-to-day evaluation are encouraged to participate in inter college national/ international fest. Made them globally competent to participate in worldwide coding competitions like IEEE extreme competition, ACM ICPC, Google code jam, etc. Advised to be on board of student council which enriches their management skills.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

KMIT, affiliated to the Jawaharlal Nehru Technological University Hyderabad (JNTUH), adheres to the syllabus prescribed by the JNTUH, Hyderabad.

KMIT follows JNTUH guidelines to carry out a continuous internal evaluation system at the institutional level.

The following strategies were followed to improve quality of teaching and learning process

- Adherence to Academic calendar
 - Course files
 - Extensive use of ICT tools
 - Hands on Learning with LMS (Tessellator)
 - Project based learning in all semesters using SONET-TRISHUL programs Online session on Sunday(Arjuna) and thrice a week (Nirantar Finishing School i.e NFS) in evenings - improving problem solving skills using Telescope
 - Passive Learning using KMITTV
 - Active Virtual Learning using LMS Telescope
 - NPTEL courses using LMS Telescope Methodologies to support weak students and encourage bright students
 - Quality of classroom teaching
 - Additional laboratory
 - Continuous real time assessment through Tessallator
 - SMART classrooms (Sanjaya, Netra, Drona)
 - Student feedback of teaching learning process and action taken
- Assignments**

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Extensive use of ICT tools:

Classrooms are equipped with state of the art facilities - Wi-Fi, internet, projectors and IP cameras.

Interactive teaching tools like Tessellator(LMS) and Google classroom are extensively used to conduct quizzes, solve programming questions and to give assignments, by the faculty to assess the performance of the student.

- the online platform enables teachers to conduct online classes, boot camps in evenings and to students to practice programming exercises at home.

High quality e-content like unit wise notes, MCQ's, animations, lab programs as per syllabus and beyond syllabus, previous question papers, model question papers are also uploaded on Telescope. Teachers follow suitable ICT pedagogical methods to conduct their classes.

Apps and applications used by the teacher

- KMITRA
- Tesslater (LMS)
- Sanjaya App
- Drona App
- Netra App

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college conducts two types of examinations, internal and external. External examinations are conducted by the University and the internal examinations are conducted by the college.

As part of internal examinations, slip tests/quiz, unit tests and mid examinations are conducted. The examinations are conducted with utmost care leading to transparency and fairness.

The question papers for internal examinations are prepared by the respective teachers and approved by the head of the concerned department. College receives Objective question paper from the University. Two sets of descriptive question papers are prepared by the concerned faculty and the principal picks one set on the day of the exam. This ensures fairness and removes the chance of usage of unfair methods.

The external question papers, received from University through online mode, are printed 15 minutes before the commencement of examination. External examination papers are evaluated at the University.

Post internal examinations, students are given back their evaluated answer scripts. Students are permitted to assess their own performance and seek any clarifications to the teacher. In case they are entitled to more marks, teachers do the needful. Following the review of answer scripts, the marks are entered in a register before forwarding them to the university.

File Description	Documents
Any additional information	View File
Link for additional information	https://www.kmit.in/examination/exam.php

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Post internal examinations, students are given back their evaluated answer scripts. Students are permitted to assess their own performance and seek any clarifications from the teacher.

External examination hall tickets are issued to the students well in advance. Any grievance related to the hall ticket like printing of wrong name or delay in issuance is addressed by the exam cell. The exam cell immediately looks into the matter and takes necessary actions.

In the case of external examination, any grievance is addressed by the examination branch. The student in need of help explains his/her grievance to the person in-charge who reviews the complaint and provides a solution. In case the university needs to be contacted, a standard fee is collected. Upon receiving the fee, the college in-charge represents the issue to the university and pursues it till it is resolved. University provides three options to students to resolve their grievance related to valuation of external examination answers scripts. Students can apply for recounting or re valuation. If the student is still not satisfied with the outcome of re valuation, he can apply for challenge re valuation.

All grievances are therefore solved with utmost care to student sensitivity.

Link for additional information	https://www.kmit.in/examination/exam.php

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

POs PSOs are published and disseminated :

College website:<https://kmit.in/>

Curriculum books.

College Magazine.

Apart from this, Mission and Vision is disseminated to all the stakeholders of the programs through faculty meetings, student awareness workshops, student induction programs, and parent meetings.

COs will be discussed in the class room.

Upload any additional information	View File
Paste link for Additional information	https://kmit.in/aboutus/aboutus.php
Upload COs for all courses (exemplars from Glossary)	View File

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The accomplishment of effective program outcomes, program specific outcomes and course outcomes becomes fundamental for the successful running of an educational institution of any sort. To ensure the same, the institution follows the system of evaluation.

The internal examinations i.e MID I and MID II question papers are therefore mapped to the Course Outcomes and Blooms Taxonomy.

The subsequent targets for the students in relation to these examinations are set by the corresponding faculty based on the evaluation of CO_PO mapping table. The evaluation is rigorous. It is done by mapping the marks acquired by the students to their corresponding Course Outcomes. The marks of descriptive questions as well as objective questions are mapped.

These outcomes are then closely analyzed by subject experts to incorporate any changes that are required in their way of teaching to better the students' performance. Using this procedure, teaching plans are finalized and necessary changes/modifications are notified to the university. We at KMIT strive our best to ensure that our teachers and faculty deliver to the best of their capabilities to enable the students to receive the very best of their course and program outcomes. Each year attainment will be compared with previous yr attainment for further actions taken for improvement.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

KMITorganizes and conducted several activities to build and promote an environment for ethical, cultural, and spiritual values among the students and staff. To develop the emotional and religious feelings

among the students and the faculty, commemorative days are celebrated on the campus with the initiative and support of the management for not only recreation and amusement but also to generate the feeling of oneness and social harmony. The college and its teacher and staff jointly celebrate the cultural and regional festivals, like New-year's day, Fresher Party, teacher's day, orientation and farewell program, Induction program, rally, oath, plantation, Youth day, Women's day, Yoga day, festivals like Dandia celebration, KMIT Evening celebration, New Year celebration, Dasara and Bathukamma celebrations, etc. religious ritual activities are performed in the campus. Motivational lectures of eminent persons of the field are arranged for all-round development of the students for their personality development and to make them responsible citizens following the national values of social and communal harmony and national integration. Besides academic and cultural activities, we have built up many strong infrastructures for a variety of sports activities for the physical development of the students. In this way the institute's efforts/initiatives in providing an inclusive environment for everyone with tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic, and other diversities.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

KMIT has well equipped and impressive infrastructure over 5 acres of land, 15509 square meters of built-up area, serene green land which provides an eco-friendly environment, and laboratories to conduct experiments and simulations.

Separate building for I Yr. students and Training and Placement cell. KMIT has well-furnished, spacious classrooms with good ventilation to conduct classes. Classrooms are maintained as per norms for proper visibility of black board/white board and audibility.

The classrooms are equipped with fans, lights, and LAN/WIFI

connectivity. Most of the classrooms have projectors. The Institution has fully equipped laboratories, with well maintained instruments, devices, and equipment to conduct experiments. Additional equipment is available to provide students opportunities to work on their projects.

The college has three seminar halls and 1 auditorium with 1000 seating capacity. Auditorium is equipped with LCD Projector and public addressing system. Wifi facility is available in the auditorium.

The institution has 813 computers with good configuration. 20 computers and 12 laptops are used for administrative and academic purpose.

The institution has a central library, the digital library, students are able to access to National Digital Library (NDL), SWAYAM, and NPTEL lecture videos.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The institution has adequate playground for outdoor games like Volley ball, Basket ball and Foot ball. Students won medals and awards in national/international tournament.

1. 4 Badminton courts (One indoor and 3 outdoor)

2. 1 Basket Ball court

3. 2 Table Tennis Tables

4. Indoor games

5. 10 chess Boards 6.

6 Caroms Boards

7. Rest rooms for Players**8. A mini Football Ground****9. A Volleyball Court****YOGA CLASS**

An exclusive facility is provided with a dedicated yoga teacher for training both the students and faculty.

CLUBS and CULTURAL ACTIVITIES

Students clubs like Literary club, Music club, Creative arts club, Photography & short film shooting club are established. Students actively practice and participate in extra-curricular activities, participate in National level competitions and won awards and prizes.

As a part of cultural activities every year KMIT organizes Kite festival, KMIT Evening- cultural day of KMIT, Batukamma and Dandiya during Navaratri days and celebrates many festivals. The inherent talents of the students are shared in kMITRA, an emagazine maintained by the students of KMIT. It's a platform for both students and faculty to exhibit their artistic and literary talents. kMITRA covers arts, book review, fashion, food, humour, movies, music, poetry and many more.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

KMIT always aims at providing the futuristic facilities to all its stake holders so that they can utilize these resources to reach greater heights. To enable this, the institution frequently updates its IT facilities to provide the best of facilities. Classrooms have been equipped with LCD projectors and most of them are supported by audio visual systems and internet facility. The entire campus is monitored by CCTV facility. A unique learning management system called as TESSALLETOR is being used for teaching as well as assessing the students. Its a continuous student monitoring and online performance evaluation tool. It enables instant evaluation after the completion of each and every instruction session. Many other exclusive apps like Sanjaya, Netra, Drona, and Dhanush are developed to serve the stake holders Sanjaya is an Attendance, Presence and Performance Monitoring System for Parents. Parents are able to watch their wards live in the classroom on their phones. Netra is an Android application for students of KMIT. In Netra students can view their performance, results, notifications about various events and soon. The marks attained by each student after every examination are updated on the automated system.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.									
KMIT has the structured system for maintaining the support systems of the institute to allow uninterrupted access to facilities for teaching and learning. Laboratories: Preventive maintenance of laboratory equipments, electrical & plumbing facilities, etc. is carried out to avoid premature failure of a facility or equipment, item, etc. It is ensured that all the laboratory equipments are functioning as per the standards before commencement of each semester. Calibration of instruments is carried out as per standards and guidelines provided on it. Experimental setups and equipments are tested by faculty and lab assistant periodically. Computer maintenance, Electrical repairs and other maintenance work are carried out in-house by lab assistants and in case if it is required, then maintenance work is outsourced. Repair and									

maintenance of the central facilities like DG set, transformer, RO plant, heavy duty digital copier, bore well pumps, CCTV and water coolers, etc are carried out periodically. Gardens and lawns are maintained by the Gardener • Consumable and non consumable materials registers are updated periodically. • Fire Safety equipment is maintained in labs as precautionary measure. Sports: • Students are permitted to play only during the sports hours and to practice for any competition.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

To inculcate leadership skills, organizing skills and to also play an active part in the day to day academic and co-curricular activities of the institution, KMIT encourages its students to be part of various academic and administrative committees. KMIT provides opportunity to the student community to express their opinion about the institution and recommends the suggestions as per their expectations. Institute ensures

participation of maximum students in all curricular and extracurricular activities organized.

The institutional committees have student representative that ensures participation of students in all activities. This helps in maintaining transparency in the overall working of the institution.

kMITRA: An emagazine of KMIT is run by the students.

KMIT Evening, Kite Festival: Students organize all technical and cultural events of KMIT.

Anti-Ragging Committee: The student members of the anti ragging committee help the new students to improve their confidence through counseling.

Library Committee: The student members put up their demands about learning material and express the problems faced by students, if any and utilization of library resources.

Sports Committee: The student members of the Sports Committee organize ensure maximum participation in both indoor and outdoor games.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The Alumni association of KMIT, popularly known as KMIT PARISHAD is a platform for passed out students to have live contact with KMIT and interact with students. The members of the Alumni association meet every year and discuss on matters related to alumni and the development of the college.

They also share their current experiences and recall charming old memories. The institute regularly invites the alumni to conduct expert lectures, seminars and workshops. The institute also invites the alumni for placement talks, entrepreneurship activities and financial contribution for the development of the students.

The members of the alumni association regularly visit the college and Training and Placement Cell to conduct pre-placement talks,

highlighting the job opportunities available in their respective industries.

Alumni contribution includes:

Establish Memorandum of Understanding between the institution and alumni entrepreneurs.

Suggestions and Support to Training and Placement Cell.

Enhance teaching learning process through Expert/Guest Lectures.

Interact with ongoing batch students in the areas of career awareness and career planning.

Participate in IQAC Cell for improving the quality of education.

Provide guidance to students for project work and on latest technologies.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

KMIT with its effective governance is dedicated in setting up processes to achieve the vision, mission and goals of the institution.

The decision making process, the academic and administrative planning incessantly work towards achieving the vision of the institute. The vision of the institute was framed taking into consideration the need, the purpose and the desired outcome. Though the vision is set high it is not unachievable, persistent effort in the right direction and apt governance with effective leadership makes it attainable.

The vision is the source of inspiration to the faculty, management staff and students. The vision proves to be the guiding principle for all the endeavours. It constantly reminds the purpose of existence, the need for strategic planning. Keeping this in mind every year, the gap analysis is done.

The analysis, to a large extent depends on the SWOT analysis. This leads to the understanding of various shortcomings, the pockets which need up-gradation, reinvention, recreation can be identified. The identification is the first step towards effective leadership, after identifying, a high level meeting is conducted at various hierarchical levels, all the various parameters are assessed and steps are taken to reduce the gaps in the vision and the mission of all the departments.

File Description	Documents
Paste link for additional information	https://kmit.in/aboutus/aboutus.php
Upload any additional information	View File

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Participative Management is one of the core features of KMIT. Management representatives, Principal, Faculty members and students play important role in participative management. Management representatives involves in maintaining quality and welfare aspects

of the Institute. Principal drives all the academic and non-academic activities involving HODs and faculty. The institution reassures participative management at various levels. Administrative and academic committees are formed where students and faculty play a vital role.

Principal has full authority on academic activities and formation of various committees. HODs have functional autonomy to decide on the various departmental events and implementing them with the involvement of the faculty members. They have privilege in proposing the budget, framing timetable, subject allocation, assigning coordinators for various committees, conducting National and International Conferences, organizing seminars and workshops etc.

All proposals from various persons in charge, faculty and students are discussed in department meetings, reviewed and forwarded to the reporting authority for further processing. Principal consolidate all the budget proposals received from the subordinates and organize a meeting to eliminate redundancy. If the same proposal is sent by multiple departments, a discussion is carried out to decide which department receives the budget.

Approvals of budgets are communicated to all departments through proper channel.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

A strategy describes how the ends (goals) will be achieved by the means (resources). The senior leadership of an organization is generally assigned the task of determining strategy. Strategy can be planned (intended) or can be observed as a pattern of activity (emergent) as the organization adapts to its environment or competes. The development of the institution is an ongoing process.

At every step, the management strives to improve the institution. This is made possible with the help of perspective/strategic

The first step towards any real progress is brainstorming ideas. All stake holders of the institution are involved in the process. Their inputs and suggestions are considered while developing the strategic plan. The tasks are divided based on their merit and the facilities to fulfil them into three major categories. These are formulated as lists under short term plans and long term plans. Once the plans are approved by higher authority, every department is instructed to work on their strategic plan to achieve their goal. One such example of fine implementation of a strategic plan was the goal for 100% placements with 10% improvement each year. Firstly, the primary and secondary goals were decided and strategic decisions were made. Then the process of achieving this task was discussed and formulated.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The governing body of KMIT is constituted as per the AICTE norms. The body meets once in a year in general and few more times on the basis of any ad-hoc need. Decisions like introduction of new course, closure of existing courses, construction of new blocks, enhancement of physical facilities and other initiatives for improvement of the institution are taken in the form of society resolutions in the governing body. Governing body is the ultimate authority for any decision in the institution. Administrative set up of the institution is as per the organization chart of the organization. Governing body being the ultimate authority will have the Chairman of the society under the body. Board members are under Chairman. Principal is the academic and administrative head of the institution. Heads of the Department report to the Principal. Staff report to respective Heads of the Department/ Coordinators. Heads of Administration, Examination branch, Library and Physical Education report to the Principal. Coordinators are under Heads of the

department .

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

KMIT management conducts performance appraisals for all the faculty members. To check quality of guidance, instruction, curriculum, scholarship, research, and systems. The goal of the college in assessing its faculty is to identify and correct inefficiencies and provide the necessary direction and guidance in support of each individual faculty member for assurance of quality and integrity. Faculty members are assessed in relation to the college's expectations of its faculty in the areas of faculty standards, program operations, and the college's policies on ethics and professional behavior. Assessment of program operations, focus upon orientation of the student, planning of student degree activities, course planning and delivery, and proper conduct of the program, reporting of student progress, and maintenance of quality standards.

Performance appraisal is taken up every year at KMIT.

Factors that normally are considered in the performance appraisal include, but are not limited to

- Knowledge of the job
- Quantity and quality of work
- Promptness in completing assignments
- Cooperation
- Initiative
- Reliability
- Attendance
- Judgment
- Acceptance of responsibility.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The prime objective of institutional financial audit is to review the income and expenditures. Audit involves performing procedures for accountability in financial transactions.

The institution prepares its budget every year as per the recurring and non-recurring expenses requirements of all departments as well as functional committees and is submitted to the management for approval. The sanctioned budget from the management is then allocated to the departments under the categories such as consumables, lab equipment purchase, industrial visits, research and development activities etc. A predefined institutional procedure is followed by all the departments for various purchases and expenses.

To ensure proper utilization of funds and to minimize any discrepancy, the Institution conducts internal as well as external audit at regular intervals.

Internal Audit mechanism is ongoing continuous process to check and verify all vouchers of transactions with reference to sanctioned budget. All recurring and non-recurring expenses are reflected in the internal audit report. Necessary comparative statements, Purchase Orders, Tax Invoice / Bills are verified. Auditor prepares its internal audit report mentioning the discrepancy observed during the audit (if any). The report, along with audit observations, is submitted by auditor for further explanation and corrective actions. External auditor conducts audit to determine the quality of financial operations.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The following procedure is adopted for the utilization of resources.

Planning: The laboratory in-charges propose laboratory-wise requirements. The expenses required for the departmental activities such as organizing co curricular and extracurricular activities are also included in the annual budget. **Budget Formulation:** An annual budget of the department is prepared and forwarded by all the HODs to the Principal for consent. After the review, The final consolidated budget is forwarded to the Management Committee for a final approval. **Allocation:** With the approval from the Head of the Institution fund will be released as per the necessity of the proposed expenses. **Provision** is also made for emergency expenditure. The sanctioned funds are utilized for the development of laboratories, procurement of books, national /international journals, staff salary, development and maintenance activities, etc. These are forwarded to the Principal through HOD for consideration and consent. Looking to the importance of the requirement, the Principal forwards the note to the Management for its final sanction. **Audit:** The Accounts Section of the Administrative office verifies the expenses against the sanctioned amount carried out

under various institutional / departmental activities from the supporting documents and gives their remarks for the final settlement.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The Internal Quality Assurance Cell(IQAC) The Internal Quality Assurance Cell(IQAC) was established at KMIT in June 2013 with the approval of the governing body and its first meeting was conducted in the same month. IQAC not only acts as a quality sustenance measure but also monitors the quality of services being provided by the institution to its stakeholders. The IQAC has made a prominent and meaningful contribution through channelizing the efforts and measures of the institution towards academic excellence. Parameters related to the enhancing of the quality of the institution like Infrastructure, workshops, conferences, FDP's, paper publications, innovations in teaching and more are considered after the approval of IQAC Committee. 1: Training programs to the faculty and students. Y 2: Finishing School Program (FS). 3 Research and Development Activities. 4 SuggestingFDPs,Workshops,Seminars,Guest Lectures,Projects,Paer presentations,Symposiums etc. 5 Desiging plans to get Grants from Govt/Private sectors. 6.Suggsting activities enhances the teaching and learning process.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Teaching Learning Reforms through Participatory Learning, Innovations, Co-curricular Activities. At the beginning of every

semester, the faculties come together for the faculty colloquium. In this meeting, the faculties discuss their course planning, delivery and assessment. Based on the course outcome given by the University, subject teachers prepare a schedule of 50 to 60 hours to deliver it. He/she also makes a daywise schedule of topics to be taught, methodology to be used, pedagogies and expected out of that lesson. KMIT is in the process of adopting smart class room technology. As a part of this class rooms are equipped with LCD projector, a desktop system, WIFI service, Tessellator through WIFI/ LAN. These facilities enable learners to build knowledge and transform their learning into a product. The concept of smart classroom is not only made education interesting but also enhances student's performance. NPTEL and The internal Academic Audit is carried out regularly every month and any shortfalls identified are addressed from time to time. Some of the measures include submission of course handouts, monitoring of course delivery and assessment, remedial actions for slow learners.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

1. Institution shows gender sensitivity in providing facilities such as:

1. Safety and Security

2. Counselling for teachers and students

3. Common Room

4. FDP and Seminars .

Safety & Security: KMIT provides a safe and secure environment to the students, faculty and non teaching staff with the cooperation of institute security personnel, city police, fire department and local communities. Institute has appointed security team from an authorized Security Agency. They provide 24x7 security. Institute has a First Aid Medical room which is utilized for medical emergencies by staff & students. The Institution has implemented Gender Sensitization course for all branches under curriculum of JNTUHyd.

Women Cell: WThishas been constituted to empower the safety measures for female members in the Institution. Thisworks to promote gender sensitivity in the Institution and produce harmonious atmosphere on the campus. It organizes workshops and sensitization programs both for staff and students by eminent Psychologists and social workers.

Counselling: The Women cell also attends to the Grievances of the

aggrieved students and deciphers their problems. KMIT provides counselling to the students on regular basis to make them aware of: Safety parameters for riding two wheelers. Use of Aprons in labs for safety purpose. Wearing formal shoes in Labs.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid waste management :

The institution takes all measures required to ensure that the campus is free of waste items that harm the environment. All departments and classrooms are provided with dustbins for collection of wet and dry wastage which are emptied every morning and evening, thus maintaining the Campus by keeping it clean and green. Dried leaves and plant clippings are collected and segregated in compost pits to produce manure and which is used for gardening as organic manure to increases fertility of the soil.

Liquid waste management:

At our campus, we treat waste water through sedimentation. The Sewage water from the entire campus is dispensed through the underground pipe lines.

E-waste management :

All Electronic waste CPU's, Hard disks, Laboratory Equipment scrap is sent to the market for sale. Obsolete yet workable computers are donated. The cartridges of printers are refilled outside the college campus; UPS Batteries are recharged and repaired by the suppliers.

Waste recycling system:

KMIT has waste recycling system which runs manually and prepares decomposition waste material and can be used as fertilizer to the plants. Hazardous chemicals and radioactive waste management KMIT has disposed the Hazardous chemicals and radioactive waste management to the seller if they expire immediately.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

KMITorganizes and conducted several activities to build and promote an environment for ethical, cultural, and spiritual values among the students and staff. To develop the emotional and religious feelings among the students and the faculty, commemorative days are celebrated on the campus with the initiative and support of the management for not only recreation and amusement but also to generate the feeling of oneness and social harmony. The college and its teacher and staff jointly celebrate the cultural and regional

festivals, like New-year's day, Fresher Party ,teacher's day, orientation and farewell program, Induction program, rally, oath, plantation, Youth day, Women's day, Yoga day, festivals like Dandia celebration, KMIT Evening celebration, New Year celebration, Dasara and Bathukamma celebrations, etc. religious ritual activities are performed in the campus. Motivational lectures of eminent persons of the field are arranged for all-round development of the students for their personality development and to make them responsible citizens following the national values of social and communal harmony and national integration. Besides academic and cultural activities, we have built up many strong infrastructures for a variety of sports activities for the physical development of the students. In this way the institute's efforts/initiatives in providing an inclusive environment for everyone with tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic, and other diversities

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice 1:: Improve the employability of the students - Finishing School Program

Objectives of the Practice: Train the students in Aptitude and Programming skills, latest technologies as per the needs and demands of the corporate world thereby improving the student placements.

The Practice: Finishing School program is a unique industry oriented program started by KMIT in 2008. It commences in the second semester of third year. Finishing School classes are held every day for 3 hours after the academic classes end. In Finishing School session students are taught problem solving skills using algorithmic approach. Over two semesters FS students are taught C Programming, Data Structures, OOPS, JAVA, SQL, Operating Systems and Software Engineering. Along with technical skills students are also taught

Aptitude and soft skills. Group discussions are held among students. Interview techniques are taught and mock interviews held. 1.Evidence of Success: Placement Report

Best Practice 2:Promote Social Awareness among the students

Objectives of the Practice:

Develop a sense of social and civic responsibility in students.

The Context: Students are motivated to utilize the knowledge in understanding and finding practical solutions of community problems.
