

External Academic & Administrative Audit Report

Academic year: 2022-2023

External Audit date: 20/12/2023

Auditor 1: P. P. Gopale Krishna
Dean, Assessment & Accreditation
Gokaraj Rangaraju Institute of Engg & Tech
Hyderabad, Ph: 9985874404

Auditor 2:
Dr. J. Kishore Babu
Professor & Head, Dept of HES
Gokaraj Rangaraju Institute of Engg & Tech
Hyderabad - Ph: 98664 44077

This report presents the findings of the External Administrative and Academic Audit conducted at Keshav Memorial Institute of Technology (KMIT). The audit aimed to evaluate various aspects of the institution's functioning, including academics, teaching-learning evaluation, research and development, co-curricular, and extra-curricular activities. Additionally, this audit acknowledges and appreciates the institute's initiatives in real-time projects, curriculum development, file maintenance, student club activities, and the functioning of the Internal Quality Assurance Cell (IQAC).

Executive Summary

The audit conducted by the Internal Quality Assurance Cell (IQAC) at Keshav Memorial Institute of Technology (KMIT) provided insights into the administrative and academic practices of the institution. The audit not only scrutinized the existing processes but also recognized and appreciated the institution's initiatives aimed at enhancing various aspects of student experience and academic excellence. This report outlines the key findings and appreciations garnered during the audit process, highlighting areas of strength and opportunities for improvement.

PJP. Gopale KrishnaKishoreDr. J. Kishore Babu

Key Findings and Appreciations

- **Academics and Teaching-Learning Evaluation:**

The academic curriculum at KMIT is robust and well-designed, catering to industry standards and requirements.

The institute's emphasis on continuous evaluation through various assessment methods ensures comprehensive understanding and retention of subject matter.

- **Research and Development (R&D):**

KMIT exhibits a commendable focus on research and development initiatives, fostering innovation and academic excellence.

The institution's support for real-time projects enables students to apply theoretical knowledge to practical scenarios, enhancing their problem-solving skills and industry readiness.

- **Co-curricular and Extra-curricular Activities:**

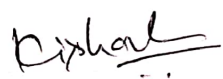

KMIT offers a vibrant environment for co-curricular and extra-curricular activities, providing students with opportunities for holistic development.

The initiatives undertaken by the institute encourage students to explore their interests beyond academics, fostering creativity and leadership qualities.

- **Initiatives and Appreciations:**

1. Real-Time Projects: The institute's initiatives in facilitating real-time projects are highly commendable, as they bridge the gap between academia and industry, preparing students for real-world challenges.
2. Curriculum Development: KMIT's efforts in developing and updating the curriculum to align with industry trends and technological advancements deserve appreciation, ensuring students receive relevant and contemporary education.
3. File Maintenance: The meticulous maintenance of academic records and administrative files reflects the institute's commitment to transparency, accountability, and efficient management practices.
4. IQAC Cell: The effective functioning of the Internal Quality Assurance Cell (IQAC) demonstrates KMIT's dedication to continuous improvement and quality enhancement in all aspects of its operations.
5. Student Club Activities:

P. Vignesh Kishore

Dr. J. Kishore Babu

KMIT offers a vibrant array of student club activities, providing platforms for students to explore their interests, develop leadership skills, and foster camaraderie. These activities play a crucial role in enhancing the overall student experience and promoting holistic development beyond academics.

Recommendations

Faculty Development: Invest in faculty development programs to enhance teaching methodologies and keep abreast of emerging trends in education and technology.

Student Feedback Mechanisms: Implement robust mechanisms for gathering feedback from students to ensure their voices are heard and their concerns addressed effectively.

Conclusion

The External Administrative and Academic Audit at Keshav Memorial Institute of Technology reaffirmed the institution's commitment to excellence in education, research, and overall student development. The initiatives undertaken by KMIT in real-time projects, curriculum development, file maintenance, and the functioning of the IQAC are commendable and contribute significantly to its academic prowess. By implementing the recommendations provided, KMIT can further elevate its standards and continue to be a beacon of excellence in technical education.

Acknowledgments

We would like to express our appreciation to the Management and staff for their cooperation and assistance during the audit process.

External Academic & Administrative Audit Report

Academic year: 2022-2023

External Audit date: 30/06/2023

Auditor 1: Prof. P. Gopale Krishna
Dean, Assessment & Accreditation
Gokarim Rangaraju Institute of Engg & Tech
Hyderabad, ph: 9985824404

Auditor 2:

Dr. J. Kishore Babu, Prof & Head, Dept of H&S
Gokarim Lallabari Women Engg College, Hyderabad
Scope and Purpose ph: 9866444077

The purpose of this audit is to comprehensively evaluate the administrative and academic operations of Keshav Memorial Institute of Technology (KMIT), with a focus on various key areas.

Executive Summary

Keshav Memorial Institute of Technology (KMIT) underwent an external audit conducted by the Internal Quality Assurance Cell (IQAC), which delved into the administrative and academic aspects of the institution. This audit not only scrutinized the existing processes but also highlighted the commendable efforts undertaken by KMIT in promoting practical learning through the Project School and nurturing innovation and entrepreneurship via the Imagineering School.

Key Findings

• Academics and Teaching-Learning Evaluation:

1. The academic curriculum at KMIT is well-structured and industry-aligned, ensuring students receive relevant education.
2. Faculty members exhibit proficiency in their respective domains, actively engaging students through innovative teaching methodologies.
3. Evaluation mechanisms are robust, promoting continuous assessment and ensuring thorough understanding of course material.

PS

P. Gopale Krishna

Rishore

Dr. J. Kishore Babu

- **Research and Development (R&D):**

1. KMIT demonstrates a strong commitment to fostering research and development initiatives.
2. The institution actively engages in real-time projects through the Project School, providing students with invaluable practical experience.
3. Research output is commendable, with several ongoing projects and collaborations with industry partners.

- **Co-curricular and Extra-curricular Activities:**

1. KMIT offers a diverse range of co-curricular and extra-curricular activities, enriching students' overall learning experience.
2. The Imagineering School stands out as a platform for fostering innovation and entrepreneurship among students.
3. Initiatives such as hackathons, workshops, and innovation challenges contribute significantly to nurturing a culture of creativity and problem-solving.

Appreciation and Recommendations

Appreciation for Project School:

The Project School initiative is highly commendable, providing students with hands-on experience and exposure to real-time projects.

KMIT's commitment to practical learning through Project School significantly enhances students' employability and prepares them for real-world challenges.

Recognition for Imagineering School:

The Imagineering School plays a pivotal role in fostering innovation, creativity, and entrepreneurship among students.

KMIT's emphasis on cultivating an entrepreneurial mindset through Imagineering School contributes to creating future leaders and innovators.

Continuous Improvement:

While KMIT excels in various areas, there is always room for improvement.

Strengthening industry collaborations and expanding the scope of research projects could further elevate the institution's research and development endeavours.

Continuous review and enhancement of teaching methodologies and curriculum to adapt to evolving industry trends and technological advancements are recommended.

Dr. J. Ishore Babu

Conclusion

The external audit of Keshav Memorial Institute of Technology underscores the institution's commitment to excellence in academics, research, and overall student development. The initiatives such as the Project School for real-time projects and the Imagineering School for fostering innovation and entrepreneurship are exemplary and deserve appreciation. By leveraging these strengths and addressing the recommendations, KMIT can continue to position itself as a premier institution for technical education, innovation, and entrepreneurship.

External Audit Report

Audit Dates: 20/12/2023
30/6/2023

Department: CSE

Audit Team: 1) Prof. P. Gopala Krishna
Dean, Assessment & Accreditation, GRIET
2) Dr. J. Kishore Babu
Prof & Head, Dept H.E.S, GRIET

Audit Scope: The report presents the findings of External Administrative & Academic Audit conducted at KMI

The audit focused on the following areas within the Department:

- Department Files : checked and improvements suggested
- Course Files : checked
- Mentoring Files : checked
- Subject Coordinator Files : checked
- Program Files : checked & changes suggested
- Institutional Files : checked & changes suggested

Executive Summary:

The purpose of this audit was to assess the adequacy, accuracy, and compliance of the Department files, Institutional Files, Course files, Mentoring files, and Subject coordinator files as per the standards set by the Institution's Internal Quality Assurance Cell (IQAC).

Findings:

- Department Files:

Observation: Department files should be updated properly

Compliance:**Recommendations:**

- Course Files:

Observation: It was observed the alignment between course content and departmental guidelines was good

Compliance: Course outlines & curriculum documentation

Recommendations: The course file maintenance should be more complete

- Mentoring Files:

Observation: Good mentorship programs and feedback mechanisms

Compliance: Student data, Teacher & parent interaction formats should be strengthened

Recommendations:

- Subject Coordinator Files:

Observation: Good coordination of academic activities and adherence to departmental guidelines

Compliance:

Recommendations:
