

Annual Report AY2022-23

Chairman Desk Mr. Neil Gogte

Keshav Memorial Institute of Technology Hyderabad has been serving as nation's flagship comprehensive institution of higher education. We are advancing institute's tradition of excellence in Engineering and Technology Education through high quality teaching methodology in our Finishing School. KMIT promotes research, on-site industry executive training and service. We continue to rank among the nation's best intensive industry interactive Engineering schools. Our distinguished faculty has extensive ties with leading engineering and research community, are able to bring the best scientist and engineers into our programs as visiting faculty and guest speakers.

Director's Desk Mr. Nitin Sahasrabudhe

The prestigious, Keshav Memorial Institute of Technology , since its inception in 2007 has made remarkable progress by following the mantra of student centric approach, whether it is in academics or in extra co-curricular activities. The institute possess a state of art infrastructure with equipped laboratories, well stocked library and highly qualified faculty. We at, KMIT introduce our students to the Outcome Based Education and trained with skills in various disciplines. In addition to developing excellent scientific and engineering skills, the students are motivated not only to dream big but also encouraged to think unconventionally to face the challenges of the future, incorporating employability skills in tune with the industry requirement and provide platform for Entrepreneurship. It has been our constant endeavour to instill in our students ethical values hereby making them socially responsible citizens. The institution has stood for quality and excellence and still thriving to be the best in the years to come. Keeping our vision and mission of the institution, we believe in Imagine-Invent-Inspire. In the making of dynamic individuals in the society.

PROGRAMMES OFFERED (2022-23)

Undergraduate (Autonomous)

B.Tech I Year

1. Computer Science and Engineering (CSE)
2. Information Technology (IT)
3. Computer Science and Engineering (Artificial Intelligence and Machine Learning)
CSM
4. Computer Science and Engineering (Data science)CSD

Undergraduate (Autonomous)

B.Tech II Year

1. Computer Science and Engineering (CSE)
2. Information Technology (IT)
3. Computer Science and Engineering (Artificial Intelligence and Machine Learning)
CSM
4. Computer Science and Engineering (Data science)CSD

B.Tech III Year (Autonomous)

1. Computer Science and Engineering (CSE)
2. Information Technology (IT)
3. Computer Science and Engineering (Artificial Intelligence and Machine Learning)
CSM
4. Computer Science and Engineering (Data science)CSD

B.Tech IV Year (JNTUH)

1. Computer Science and Engineering (CSE)
2. Information Technology (IT)
3. Electronics and Communication Engineering(ECE)
4. Electronics Instrumentation Engineering (EIE)

International MOUs Signed (R&D)

MOU with Genoparadigm Pvt Ltd,Teleparadigm,Police Reform Madhya Pradesh-Bhopal,
Virtusa consulting services Pvt Ltd.

Activities at KMIT and SONET/ Trishul & BEC

1. alumni.kmit.in is the official website of KMIT Alumni. It is one of the several initiatives KMIT Alumni Association. KMITAA aims to brighten the entire fraternity together through this website. -[KMIT Parishad Society \(Alumni Association\)](#).

2. Trishul

Trishul is a skill-enhancement initiative that was designed exclusively for first year students at KMIT. This is to give them entry level technological training. Some of the technologies introduced in Trishul include Python and Building RIA. Additionally, students are offered courses in fundamental life skills such as basic electrics (fixing light bulbs etc), building solar panels, robotics, and cooking.

3. Arjuna

Arjuna is a weekly coding competition, conducted for KMIT students(1st to 3rd years) . These sessions are conducted every Sunday. Winners will get cash prizes per week based on internal assessment followed by a one on one interview .

Functions

- Three coding activities per Arjuna session (Sunday).
- Solutions of previous session will be discussed in Java every Arjuna session.
- At the end of the session new activities will be started for next session.
- Top 2 students(winners) from each Year of KMIT will get weekly cash prizes.
- Winners will be decided based on fastest submission time.

4. Niranthar FS

Niranthar Finishing School (NFS) is a weekly coding competition, conducted for KMIT students (1st to 3rd years) . These sessions are conducted alternate days Tuesday, Thursday and Saturday (TTS) every week. Winners will get cash prizes per week.

Functions

- Two coding activities per NFS session (TTS), total six activities weekly.
- Solutions of previous session will be discussed using python programming language in every NFS session.
- At the end of the session new activities will be started for next day.
- Top 15 students(winners) from each year of KMIT will get weekly cash prizes.
- Winners will be decided based on fastest submission time.

5. BEC

Cambridge English Business Certificates :

To survive in today's highly competitive world, it has become imperative for graduates have certain edge. Recognizing the importance of this, and the fact that communication skills play a major role in recruitments, KMIT kick-started the BEC programme in 2011 and it is now one of the most popular courses offered outside regular curriculum which students opt for. At present, the college offers coaching for the Preliminary and Vantage levels.

Course Structure:

Students are given the opportunity to register for the exam twice a year – March & September. Coaching starts two months prior to the test date.

The coaching for BEC – Preliminary and BEC- Vantage at Keshav Memorial Institute of Technology, is not just aimed at helping students perform well in the exam, but also to help them gain an understanding of the concepts covered in order that they can use them later on, when they begin their careers.

**** The coaching for this certification is provided to students free of cost.***

Faculty Profile :

The BEC course is lead by **Shweta Paropkari**, a certTESOL qualified trainer with an MA in English. Ms Paropkari has been working exclusively with Engineering students for the past

seven years. She brings along with her a corporate experience having worked with Deloitte India Private Services prior to becoming a dedicated language trainer. She is also a certified BEC and IELTS trainer, a presenter for Cambridge English and a holder of several awards from Cambridge English, British Council and IATEFL BESIG.

6. SONET

SONET stands for School Of New & Emerging Technologies. Under this programme the following courses are offered:

This course provides the concepts of various Images processing techniques for Biomedical Images, Machine Learning approach for Bio-Medical Images Processing followed by computational implementation of those techniques using Python Programming Language.

Awards or Achievements

190 Students trained

10 students got internship for BIRAC-Funded Project

7. Finishing School

With the sole objective of producing industry ready engineering students, KMIT instituted a comprehensive Finishing School program for its Final year students. It is our belief that this program will go a long way in bridging the industry-academia. The Finishing School is run concurrently with the B.Tech course, unlike other Finishing schools which are offered after the completion of B.Tech.

Modality:

The Finishing School program consists of two semesters. The first semester of the Finishing School runs concurrently with the third year second semester of JNTUH while the second semester runs concurrently with the fourth year, first semester. A student has the choice to opt for various tracks offered.

Syllabus:

- **Foundation Track:** C, C++, Core and Advanced Java, RDBMS, OS fundamentals.
- **Aptitude Skills:** Quantitative Techniques, Verbal Ability, Reasoning, Puzzles, General Knowledge, Group Discussion: General Interest, Creative topics, Education, Social Topics etc., ELearning: Video Sessions are available online, enabling concept revision.
- **Soft Skills:** Resume Writing, Interview Preparation, Business Dressing, Personality Development, Time Management, and others (per industry requirement)

Customized Workforce Development:

Normally Companies visit the Campus in the fourth year, first semester and select candidates. These Companies provide us with a desired skill set of technologies to be imparted to the

selected students. The desired skill set is imparted through our specialized programme called Customized Workforce Development Program (CWD). Some of these programmes conducted are given below:

- Virtusa: RPA (Robotic, Process Automation), Data Science, AEM, Adobe Analytics
- Zensar: Oracle Apps, Software Testing
- Persistent Systems: Salesforce

8. Tessellator:

KMIT uses an in-house LMS, Tessellator, to:

- monitor and track attendance
- conduct classes
- give and evaluate assignments
- have Students compile and execute programmes
- conduct and evaluate tests
- assess student performance

**KMIT does not charge students anything for campus placement training*

Scholarships for Students

Govt. Scholarships

KMIT supports government sanctioned scholarships for all eligible freshmen.

How to apply?

To be eligible for these scholarships, students should submit the completed Scholarship Application and furnish all relevant details along with a personal statement highlighting your unique achievements and special interests.

Who can apply?

The students who enroll at KMIT and are desirous of availing the incoming freshmen scholarships

- Rank holders below 5,000 ranks in EAMCET are eligible for 100% fee waiver.
- Rank holders between 5,000 to 10,000 ranks in EAMCET are eligible for 50% fee waiver.
- National level winners/participants in academic competitions like Mathematics Olympiad, Science Olympiad, National Science fair or exhibitions (Winners shall be given more weightage).

- State level winners/participants in academic competitions like Mathematics Olympiad, Science Olympiad, National Science fair or exhibitions (Winners shall be given more weightage).
- State level winners/participants in sports (Winners shall be given more weightage).
- Participants in other activities and achievements may also apply and eligible students may be considered after thorough scrutiny of their application by the Scholarship recommendation committee of KMIT.

KMIT Incubation Center

Research is the foundation of any nation's economic growth and Keshav Memorial Institute Of Technology (KMIT) is committed to long term research in emerging areas of engineering and technology.

Furthermore, recognizing the importance of R & D in the vertical growth of the institution and established R&D cell to focus on the scientific and industrial Research in various disciplines. For the purposes of the same, a state-of-art, customized research lab has been built

The cell facilitates, channelizes, records, and regulates all the academic, sponsored, collaborative research projects and consultancy works in the Institute. Subsequently, KMIT has academic and research collaboration with reputed institutes like, DRDL Tech Mahindra and many more. Faculties of various departments have received funding from both Government & Non-Government agencies.

Conferences/ Workshops/ Seminars

The R&D Centre at Keshav Memorial Institute of Technology in conjunction with Tapadia Diagnostic Centre Pvt. Ltd and Department of Microbiology, KMICS, Hyderabad began a training workshop on Digital Pathology Annotations for Breast Cancer. The first session was held on 15 December 2020 at KMIT and was lead by Dr Rohit Tapadia (MBBS, MD, Onco Pathologist), Director of Tapadia Diagnostics Centre. This workshop was conducted as a part of the ongoing BIRAC project in R&D centre.

Research Center (Uttkarsh & Udaan)

Keshav Memorial Institute of Technology is pleased to announce that they have opened Udaan, a new R&D Centre, in addition to Uttkarsh, the existing R&D centre. Both the centres are equipped with state-of-art machines, 24*7 powerful backup, air-conditioned and are WiFi

enabled. As opposed to a standard inauguration, KMIT's R&D department in conjunction with nVIDIA Centre of Excellence (CoE) and Teleparadigm Networks Ltd, Hyderabad opted to host the AI and CUDA Programming for Defence Applications training for Defence Scientists, a project approved by Defence Research & Development Laboratory (DRDL) on 4 January 2021.

A series of webinars was conducted over a course of two days by Dr Devika Rubi and Dr Rajasekaran. The objective of the sessions was to introduce faculty members and students to Biomedical Imaging and the area of research contained within it. The webinar was conducted on 16th and 17th of June, 2020.

A series of webinars was conducted over a course of two days by Ms Sireesha Puppala. The objective of the sessions was to introduce faculty members and students to Blockchain Technology and the area of research contained within it. The webinar was conducted on 12th and 13th of June, 2020.

Distinguished Professor (R&D)

S.No	Name	Role
1	Prof. Vinay Patankar	Convenor
2	Dr R Devika Rubi	Core Member
3	Dr S Rajasekaran	Core Member
4	Ms I Tejasvi	Co-ordinator
5	Ms Haleema Bushra	Co-ordinator
6	Ms Prabhavati Devi	Co-ordinator
7	Mr S.Hima Bindu Sree	Co-ordinator

INFRASTRUCTURE & FACILITIES

Laboratory

Placement Cell

Keshav Memorial Institute of Technology is proud to announce that Vuyyuru Sreelaya , a fourth year IT student was offered a job with Amazon-Dublin for a package of 1.2 crore per annum. We wish her the best of luck for her future.

In addition to this international offer, 4 students landed offers with package of 40 LPA and above, 12 students landed offers with package of 20 LPA, 10 students landed offers with package between 16 and 18 LPA, 87 students landed offers with package between 10 and 15 LPA, 349 students landed offers with package between 5 and 10 LPA, and 108 students landed offers with package between 2.5 and 5 LPA.

We are, further, pleased to state that only core companies (Amazon, Google, Compass India, ServiceNow, Salesfoce ,CISCO, DarwinBox, Experian, NCR, Zemoso Labs, EPAM, Hitachi, Netcracker, Opentext, TCS Digital, to name a few) are brought in for campus placements.

- The Institute has a full-fledged placement office to look after Placement activities.
- The Training and Placement cell provides the official support base for placement of Final year students.
- The support services that it offers are in the form of arranging On-campus / Pooled-Campus Drives and grooming students to face the final test of their knowledge.
- The Training and Placement team are the official coordinators for campus placement in KMIT.
- The enthusiastic placements team strives for effectively striking a match between recruiter expectations and student aspirations.
- The Placement Office handles all training and placement oriented aspects in the institute.

Library & Digital Library

Vision of the Library

The KMIT Central library promotes intellectual growth and creativity by developing collection, facilitating access to information resources, teaching the effective use of information resources and critical evaluation skills and offering research assistance. Broadly speaking, the vision of the KMIT Central Library is to provide access to a broad range of learning resources and information services to students and faculty.

Infrastructure

The Central Library began its existence in 2007. It is centrally located in the campus. It is surrounded by academic classrooms, laboratories, workshops, placement wing and sports grounds. It is divided into different sections like Stack area, Reading room, Reference and periodical Sections, Circulation, Digital library and Reprographic Section. The library is housed spaciouly with a plinth area as follows:

General Stacks and Text Book Area including some reading Area 232.11sqm.

Reference, Periodical & Reading Room Space 101.94sqm.

Digital Library 32.94sqm.

Seating Capacity 100Nos

Rules & Regulations

- Users must keep their belongings in the pigeon-hole racks provided at the entrance however a note book/calculator may be allowed inside.
- Identity card should be shown at the checkpoint on demand.
- Sign in the register kept at the checkpoint, while entering the Library.
- Visitors should obtained prior permission from the authorities before utilizing the resources.
- Decency and Decorum Should be maintained in the Library.
- Members are free to browse through the books. Books taken out of the shelves must be left on a table. Replacing the books on shelves is not encouraged as it may be misplaced. Misplaced book is a lost book.
- Readers shouldn't mark, underline, write tear pages or damages the books
- Show the documents, which are being taken out of the Library, to the staff at the checkpoint.
- Books lost by the Borrowers have to be reported immediately in writing to the Librarian, failing which fines will keep on accumulating. **PLEASE DO NOT ASK FOR WAIVER OF FINES.** Replace the book within the time permitted.
- Each borrower is responsible for the book issued on that card, Hence borrowers are requested not to exchange the books with others.
- No due certificate will be issued at the end of every semester.
- Change of Department, Status, and Address etc., to be informed immediately.

- Use the dustbins provided in the reading area and help us to maintain library clean & tidy
- Anyone who violates of the rules and regulations of the library would be liable to loss the privilege of the membership.

Library Advisory Committee

- The Library has an advisory committee involving representatives from all academic departments
- The Committee members meet twice in the year

S.No	Name of the Committee members	Branch	Designation
1	M Ratnakar Babu	CSE	Co-ordinator
2	K Anuradha	CSE	Member
3	M Swetha	CSE	Member
4	A Srinivas	IT	Member
5	Sushma	ECE	Member
6	Kailashnath Kamble	EIE	Member
7	B Sandya Reddy	H&S	Member
8	L Sai Kiran	LIBRARIAN	Secretary

Print Resources

The library has **19430** books, **4315** titles and **73** Print journals that cater to all the branches of engineering, as well as other disciplines.

Medical Room

First Aid Room with Doctor Available for students and Faculty.

Student Clubs

Student Council

The establishment of the Student Council plays an integral and important role in the student community. Student Council provide a representative structure through which students can debate issues of concern and undertake initiatives of benefit to the college and the wider community. Students have a voice and a contribution to make to their college. It is important that they be given the opportunity to express their views on issues of concern to them in the college. It is equally important that they are listened to and encouraged to take an active part in promoting the aims and objectives of the college.

Role of Student Council:

The Student Council will set its own objectives. Some general objectives could include:

- To enhance communication between students, management and staff.
- To promote an environment conducive to educational and personal development.
- To promote friendship and respect among pupils.
- To support the management and staff in the development of the college.
- To represent the views of the students on matters of general concern to them.

FACULTY ACTIVITIES

Sponsored Projects

We have been involved in the development of Clinical Translational Research CAD (Computer Aided Disease Detection & Diagnostics System) for various cancers. The said CAD system is an AI powered, end-to-end clinical diagnostics workflow in line with CAP (College of American Pathologists) protocol, include all biomedical imaging (Pathology, Radiology) biomarkers identification for various cancers, initially for Breast Cancer. We have been awarded INR 50 Lakhs for this project (BIRAC/IKP01207/BIG-16/20) by BIRAC (Biotechnology Industry Research Assistance Council), Dept. of Biotechnology, and Govt. of India.

Note: Dr. Rohit Tapadia, Tapadia Diagnostics Center, Hyderabad is providing clinical protocol guidance and also validating the entire product development. We also collaborating with few named Cancer Hospitals across the region.

The team working on BIRAC is the same as the one for Bio Medical Imaging.

Consulting Projects

Crime Free Bharat Mission is dedicated to creating holistic and comprehensive solutions for creating crime free Bharat. Focus is on internet protocols, cybercrimes, cyber forensic and investigation and cyber security.

KMIT and NGIT signed an MoU to work together on the above initiative. This required both Faculty members and students of both the institutes to work with with Shri Maithili Sharan Gupta, DGP Special Reforms MP Gov, to create solutions that would align with the goals of Crime Free Bharat initiative.

Start Date : June 25th 2020

End Date : july13th 2023

Projects :

Below are the projects that were part of the internship program.

S.No	Title	Description
1	E-Payment Service	E-payment service using bank accounts, debit cards, credit cards and all other options.
2	Smart Investigation App	SMART Investigation App and Investigation Support module for Community App
3	Evidence Requisition system	Requisitioning of information from various sources such: a) Telecom service Providers b) Banks and financial institutions c) Reservation Systems: Trains, Bus and aeroplanes d) CCTV Systems and IOT devices e) Revenue, cooperative society and others
4	Bharat Sign	Crypto Micro service (back end service) - Capturing signatures : a) Photo Signature b) Optical Signature c) Digital Signature (OTP verified) d) Virtual signature with real time encryption with date, time and location stamp and protection through block chain technology: This service would be integrated wherever required.
5	Doshi Anveshan Yantr	Investigation related database management, data mining and data analytics : Creating database as attributes of criminal profiles. a) Facial features, facial expressions, Gait, BMI, Apparel, Vehicles and Associates: with date, time and location stamp, frequency of use, association with crime related happening b) Crime related information: criminal profiles c) Route related information d) Criminal cluster and hot spots e) Triggering task commands to CCTV system and IOT Devices f) Identifying evidence and packaging them with certificate of integrity, certificate of admissibility and certificate of chain of command.

STUDENT ACTIVITIES

Extra curricular Activities

The screenshot shows the KMIT website with a carousel slide titled "Vaccination Drive in KMIT". The slide features a banner for the "VACCINES FOR ALL FREE FOR ALL" campaign, which is part of the "WORLD'S LARGEST FREE VACCINATION CAMPAIGN". The banner includes the text "Thank You PM Modi!" and "Visit cowin.gov.in to register and find vaccination centres near you". The carousel also displays images of students and staff participating in the vaccination drive at the KMIT STAR VACCINATION CENTRE.

Awards and Recognition

The screenshot shows the KMIT website with a carousel slide displaying a "CERTIFICATE" from the "Institution Innovation Council (IIC) established at KESHAV MEMORIAL INSTITUTE OF TECHNOLOGY, HYDERABAD". The certificate recognizes the institute for undertaking various activities prescribed by the Innovation Cell, Ministry of Education, Govt. of India to promote Innovation and Start-up in campus during the IIC calendar year 2019-20. The slide also features logos of the Ministry of Education, Government of India, MoE's INNOVATION CELL, and the Institution's Innovation Council.

## **Sports News**

## **Sports Facilities**

The college management strongly believes that sports play an important role in a student's growth and development. Not only do they help in improve mental health and physical fitness of the body but also hone personality skills by inculcating leadership abilities, teamwork, non-verbal communication, confidence, coping with setbacks, conflict management, and discipline to name a few.

## **Indoor Games**

A badminton court matching professional standards has been built behind Block B for the use of Faculty members, Staff and Students. The Faculty members and Staff at KMIT are particularly passionate about this sport and annual competitions are held for them regularly.

## **Outdoor Games**

In addition to having a large football field, coaching is given to all the students in the college campus from 4-5.30 pm daily evening. The college has the football team of 12 members and the team is encouraged to participate in inter-collegiate competitions. Moreover, three events intra-college events are held every academic year

## **SUPPORT FOR INSTITUTE**

### **Industry Support**

74% of tech companies plan to recruit college graduates to meet the engineering and information technology needs of the organization. Tech companies continue to rely on universities to build most-sought-after skills and the fresh perspective they bring to the workforce.

The IIC aims at transforming the traditional methods of campus recruitment and internship model to meet the talent needs and devise an approach that provides exposure to applying technology to real-life problems.

Functions :

- Continuous education focusing on talent need.
- Long-term strategic alliance with focus on Non-linear, recursive engagement.
- Build talent to solve business problem.
- Develop a talent pipeline that can hit the ground running.
- Promote academic entrepreneurship.
- Be part of a “social-contract” for sustained employment generation.
- Enable national goals for digitization and digital governance.
- Deepen Emerging Tech capabilities.
- Move-up the value chain - cost play to innovation & investment centres.

### **Student Leadership**

**Faculty** <https://kmit.in/administration/faculty.php>

## VISION MISSION

### Vision :

- To be the fountain head in producing highly skilled, globally competent engineers.
- Producing quality graduates trained in the latest software technologies and related tools and striving to make India a world leader in software products and services.

### Mission :

- To provide a learning environment that inculcates problem solving skills, professional, ethical responsibilities, lifelong learning through multi modal platforms and prepare students to become successful professionals.
- To establish industry institute Interaction to make students ready for the industry.
- To provide exposure to students on latest hardware and software tools.
- To promote research based projects/activities in the emerging areas of technology convergence.

- To encourage and enable students to not merely seek jobs from the industry but also to create new enterprises.
- To induce a spirit of nationalism which will enable the student to develop, understand India's challenges and to encourage them to develop effective solutions.
- To support the faculty to accelerate their learning curve to deliver excellent service to students.
