4. Grievance Redressal Procedure

A complaint may be made in person, by telephone, by email or through the confidential online reporting channel. Reports may be submitted by an affected student, witness, parent, faculty member or staff member. Retaliation against a complainant or witness is prohibited.

Stage	Timeline	Process
Receipt and safety assessment	Within 24 hours	Safety Desk records the matter, offers immediate protection and informs the Chair
Preliminary review	Within 3 days	Committee gathers initial statements and identifies interim measures
Resolution and communication	Within 7 days	Written outcome, support plan and any disciplinary referral are communicated

4.1 Strict Resolution Timeline

The University commits to a strict 7-day resolution timeline from receipt of a grievance. Where a matter requires a statutory investigation or external authority, the complainant will receive a written status update within seven days and at regular intervals thereafter.

5. Confidentiality, Support and Appeals

Information is shared only with persons who need it to protect safety, conduct a fair review or meet legal obligations. Students may request counselling, academic accommodations and temporary housing measures. An appeal against a disciplinary decision may be submitted to the Vice-Chancellor through the Registrar within seven working days of the written outcome.
